- Our website is best viewed on smartphone display

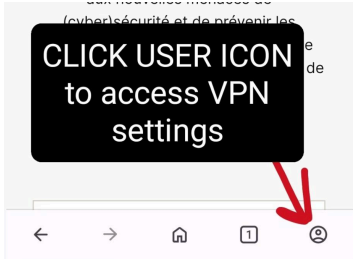

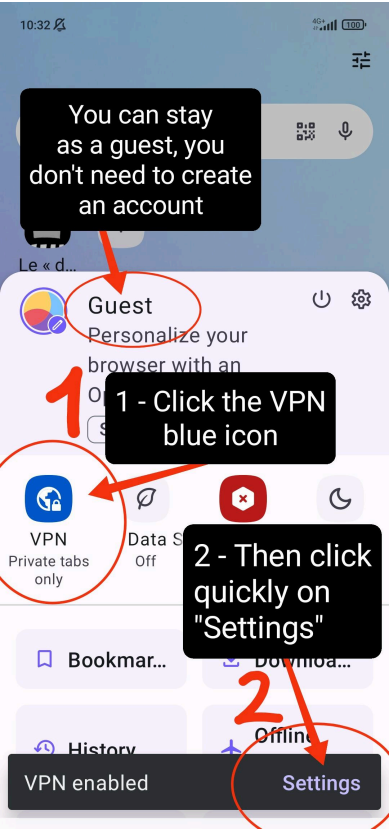

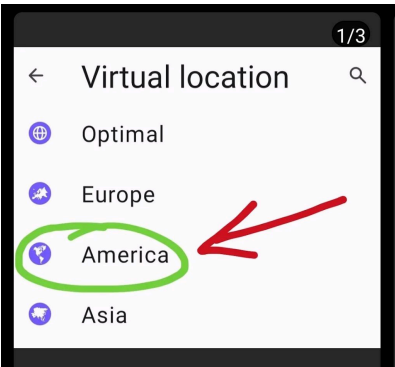

If you are unable to access <https://matriarxxi.com> or if you are inexplicably blocked from visiting our site, follow these steps to view our website real version :

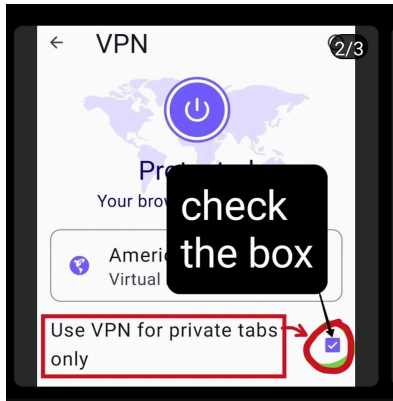

1) to view our website, you can **only connect via a mobile data connection** (NO internet routers, NO office network, NO public or home wifi)

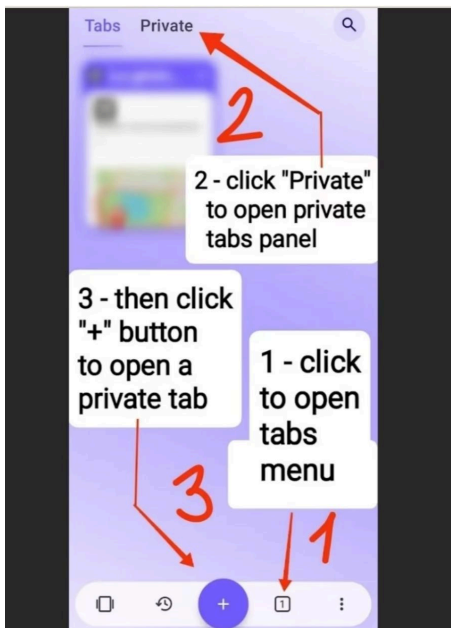

2) from your smartphone, **download Opera app** (<https://opera.com>) with a free VPN included

	<p>3) Open any webpage window, then click the user icon at the bottom right</p>
	<p>4) then open VPN settings : click the left blue icon, then quickly click "Settings" that will appear at the bottom on dark grey background.</p> <p>No need to create an account, you can stay as a guest</p>
	<p>5) select virtual location "America"</p>

6) check the private tab option box, just below

7) click the number square icon at the bottom

8) go to "private" tabs section at the top,

9) click the big "+" purple button to open a new private tab

10) type "https://matriarxxi.com" in top search bar to open the real version of our website, which is best displayed on smartphone for the moment.
